CHOIR RESULTS

ORIENTATION CHECK-OFF

(Comprehensive checklist of all information you're required to acknowledge.)

Congratulations to all of the new ALA Choir members for next year. We enjoyed the online process and will probably continue that as it cut our audition time in half.

Our hearts go out to everyone whether they reached their goal or not. We hope that everyone, no matter the outcome, continues to be in choir to improve individually so that in one-year, they may "climb on the horse" again.

Please know that we are grateful to each and everyone of these students for their efforts. We saw improved talent, improved dancing, and growth in character and attitude. The 2021 Choirs are going to be fantastic!

MANDATORY PARENT MEETING *(Online & Google Format)*

Monday, May 11

All of the Choir Meetings will be on a Google Document and emailed to you on Monday, May 11. Each Choir student and a parent are required to go through the online Choir Meeting format. **This needs to be completed by Wednesday, May 13**.

- We will be covering fees, financial time table, calendar, contracts, Choir Parent Association Boosters, etc.
- "?" = Indicates open spots that can audition on July 31, 8am in the Choir Room and they will need to attend Boot Camp.
- **Boot Camp Dates**: August 1 (EVO only) and August 3-5 (All Choirs)

We are looking forward to working with excellent, talented students and are proud of their preparation we viewed online.

Thank you: Mr. Lunt & Mr. Keith
